

On Monday, January 22, 2024, Sal Pusateri and Doc Schiavone met with UAW Vice President, Mike Booth for GM. We also spoke with International Servicing Rep. Nicole Current, and UAW International Secretary/Treasurer, Margaret Mock. They assured us that the money for the UAW Delphi workers Christmas bonus is not dead. They are working out the best way to approach the problem. If not resolved, the International Union will turn it over to Arbitration or the Legal Department Lawyers. It was brought up at the negotiations table. They did tell me some Delphi retirees did receive the money and the spouses that were deceased and both husband and wife died. They could not receive both.

SAL PUSATERI, JR
RETIRED PRESIDENT
LOCAL 686 UAW
