The UAW Education Department will hold its Local Union Officers Institute on June 8-13, 2025. The conference will be held at the Walter and May Reuther UAW Family Education Center in Onaway, Michigan.

The institute will offer broad training for local union officers to learn their roles and responsibilities as leaders of a fighting union. New and seasoned officers alike will find this conference beneficial, and all will walk away with greater clarity about the expectations of their role.

This institute will provide local union officers with a clear understanding of their administrative responsibilities. Role-specific training will be provided for local union presidents, vice presidents, recording secretaries, and financial secretaries.

ELIGIBILITY TO ATTEND

This institute is open to UAW members in good standing who are interested in learning more about their role as leaders. This institute is best suited for local union **presidents, vice presidents, financial secretaries, and recording secretaries**. Both new and seasoned officers are encouraged to attend.

Local unions representing members in all sectors and industries - including TOP, Gaming, IPS, Higher Education, Heavy Truck, Agricultural Implement, Automotive, and others - will find this training useful and are strongly encouraged to send officers to attend.

Attendance is mandatory at all sessions and is taken daily. Local unions will be responsible for payment of all lost time.

Delegate eligibility is limited to active members of your local union, including members on lay-off or strike. Members on sick leave, retired members, and spouses who are not members of your local union are not eligible to attend.

❖ ***The payment of lost time is the sole responsibility of the local union.***

REGISTRATION PROCESS

- ❖ Local unions must pay a **\$75** non-refundable registration fee through LUIS by choosing the *Submit a Payment* option under the Conference menu.
- ❖ Registration is open **until Monday, May 12, 2025**.
- ❖ Funds will **NOT** be withdrawn from local unions until after the regional office approves the delegates, a process that will take place after online registration closes.

Local unions must provide each delegate's **personal (non-work) email** when registering delegates for this conference. Regions will be given access to a list of their registered delegates through LUIS to approve, a process that will take place after online registration closes. This is due to limited spaces allotted to each region.

The delegates will be notified via email that their registration is complete, but they are not confirmed as attendees to the conference until the region has completed the approval process.

The local union and the approved delegates will be contacted with further information about the conference via email. Delegates who are not approved will be notified that the conference capacity is full, and they will be placed on the waitlist in case space becomes available.

Local unions must register their delegates via the following link:
