2017 CONFERENCE CALL
THEME: "STAY WOKE!"

The 48th National Educational Conference of the A. Philip Randolph Institute convenes during a most challenging time, but it is also a time full of opportunities to advance the cause of social and economic justice for working families across this nation. Our Labor Movement is being plagued with growth and program challenges at both the local, state and national levels. Standing still and doing nothing, maintaining the status quo, or going backwards are not viable options!

WE MUST "STAY WOKE!"

As we know from the 2016 elections, APRI activists and our allies have been fundamental and essential to: educating, organizing and moving political and legislative victories. More importantly, we are stronger in our relationships with each other as we overcome barriers to worker unity.

So, in this context, we are moved to reenergize and rededicate ourselves to battle and halt the downturn of the economy, the assault on workers and the encroachment on civil and human rights. With increased education, measurable programs, strong community partnerships and organizational development, ***We Will Recover AND We Will Advance!***

It gives me great pleasure to announce that the site of the **48th National Education Conference will convene on August 2-6, 2017 at the Diplomat Beach Resort in Hollywood, Florida.** This Conference will be a significant experience for all of us, and the beautiful beachfront setting is designed to focus our senses, invigorate our spirit, and strengthen our resolve for the battle ahead. **We have negotiated a rate of \$169.00 per night (single or double occupancy). Secure your hotel accommodations NOW by calling the hotel at: 855-689-2911 or via the hotel link: <https://aws.passkey.com/go/dc103b51>.** (Please identify yourself as a participant in the A. Philip Randolph Institute Education Conference)

(NOTE: THE CUT-OFF DATE FOR THE APRI RATE IS: JUNE 23, 2017)

For your convenience, we have attached the ***Conference Registration Form and a Tentative Conference Agenda*** to help in planning your travel. **Additional information, including agenda updates will be available on the APRI website: www.apri.org and the APRI Facebook Page: A. Philip Randolph Instituteso log on and be informed! Register Early! You do not want to miss this Conference!**

When we work together, there is no challenge that is too great for us. When we exhibit our courage, our strength and our unity, we grow the ranks of those committed to advancing as one fight, the causes of social and economic justice.

"STAY WOKE"

In Unity,

Clayola Brown
National President
