Greetings,

It is with great pleasure that we issue the Official Call for the 19th Biennial Convention of the Coalition of Labor Union Women, taking place on September 6-9, 2017 at the Detroit Marriott at the Renaissance Center in Detroit, Michigan. The theme for the convention is **“WOMEN: Taking It To The Streets!”**

This convention, is a member convention. To participate in the convention with voice and vote all you need to be is a Regular National CLUW member in good standing by July 24, 2017. Delegates to the convention will be electing National Officers and National Executive Board (NEB) members for a four year term; NEB representation is determined by the number of members per union who belong to CLUW.

The women's movement and the labor movement are facing some of the biggest challenges in our history, with battles on every front. This is our opportunity to engage those in the labor movement and our friends who are not part of the labor movement and form strong coalitions to fightback those forces that are trying to diminish our power and eliminate gains we have struggled to achieve.

This convention is about working together to set new goals and frame our objectives from the founding principles that guide the work of our organization. Progress is made possible by networking, sharing information and developing ideas to form new programs and policies.

On Wednesday, September 6th we will offer a wide variety of workshops. Details will be posted on our web site.

Please note that observers are welcome to attend the convention and fully participate in all activities. However, they will be required to pay the appropriate registration fee and will be seated in a special section in the convention hall as they will not be able to have voice or vote.

We hope you will enjoy this exciting convention which includes workshops on a variety of topics, dynamic speakers and sessions to inspire and empower delegates and guests.

In Solidarity,

Bennie R. Bridges
Corresponding Secretary
